Garden Working Bee

We will be having our mid year garden working bee on: SUNDAY AUG 19: 9am to 12pm. The focus of this working bee will be to tidy up the school garden so it looks great for the Spring Fair. If we get enough help we will lay fresh mulch so would be really great to get a few helping hands.

We appreciate this is a very busy time for everyone. Refreshments will be provided and kids very welcome. Special offer to kids: 50cents per bag of rubbish collected!!

Fathers Day Stall 2018

This year the MDFDGG group will be holding a full Father's Day stall in the hall during school hours on Thursday, August 30. The stall will be run in the same way as the Mother's Day stall and all students will be given the opportunity to attend at a scheduled time throughout the day to purchase a gift.

This year we are trialling the use of recyclable paper gift bags in an effort to cut down on waste and also to reduce the number of volunteers required. As there will be no gift wrapping at the stall this year we will only require a very small group of volunteers to help throughout the day. We are currently working on gift selection, pricing, packaging and the creation of a website of available gifts. The website can be viewed at <http://www.twpsmdfd.com>

Please make a note of the date in your diaries and watch this space the next few weeks. Thank you. MDFDGG
